

Curriculum Newsletter

Year 1 Term 6 2023/24

Welcome back everyone. We hope you enjoyed a fantastic half-term break and are looking forward to a brilliant final term in Year One.

This newsletter will give you a brief overview of what your child will be covering up until the summer holidays.

If you have any questions please speak with any member of the Senior Leadership Team in the morning or see your child's teacher at the end of the school day. If you think your conversation will require more time, please arrange a meeting with the teacher via the class email account.

As always, please email the main school account – manorprimary@sgmail.org.uk for any urgent matters or issues relating to attendance, school dinners, FOMS events etc. The class email is not read throughout the day as teachers are teaching and managing the class.

We would also like to remind our families that we are a nut-free school. Some of our children suffer with various allergies and so in order to keep everyone safe, we ask that you do not include food items containing nuts in your child's lunch box or as a break time snack. We would also like to reiterate that as your child is in KS1, they receive a healthy snack provided by school. We therefore ask that all children in KS1 (Year R – 2) **do not** bring in an additional snack. We also ask that no sweets, such as Haribo, are brought in at all. Thank you.

We ask that children come to school in their full school uniform. Please refer to our school website for further information on this - <https://www.themanorcofeprimary.org.uk/school-uniform>. Please also note our expectations on P.E kits – we have a supply of spare tops and jogging bottoms to lend to children if they are unable to wear the correct kit to school.

If you have any questions, please do get in touch.

English

In English this term we will be looking at ' Song of the Sea' we will be deepening our understanding of sentence structures and various word classes.

Maths

In Maths this term we will develop our understanding of place value to 100. We will also be telling the time to the nearest half an hour. We will also look at money with recognising notes and coins.

If you would like any information on how we teach these methods in class or guidance on how to support at home, please do not hesitate to speak to your class teacher.

Reading

At the end of this newsletter, we have attached some question prompts you might want to use when you read with your child. If you have any questions about how to support your child at home please speak with your class teacher at the end of a school day.

Topic Subjects

Our Foundation Subject Topic this term is 'Ship Shape and Bristol Fashion' We will be learning all about the Isambard Kingdom Brunel and his connection to Bristol. We will be learning about aerial maps and what they can show us and will also be taking a closer look at our local area of Coalpit Heath and the history of The Manor School.

Please find below some of the key facts that your child will learn. We will use these facts in our quick recall quizzes and we will be referring back to them over the term. Ask your child about these questions at home to help them remember the knowledge!

Brunel

- He designed the Great Western Railway line between Bristol and London.
- He won a competition to design a bridge over the Avon river gorge in Clifton, Bristol – this later became the Clifton Suspension Bridge.
- He also designed the Temple Meads station in Bristol, and Paddington station in London.
- Brunel also designed fast ships – the SS Great Western, the SS Great Britain and the SS Great Eastern.

Manor school

- The Manor Hall was originally built in 1868 as a school for local children.
- In 1975, the council built a new “Manor School” for local pupils as the old school was too small.
- In 1996, a fire destroyed the new school and was then replaced by the third Manor School, opened in 1999.

Your child will be taking part in P.E on **Thursday and Friday**
We ask that children come to school dressed in their P.E kits on the days that they have P.E. We would like to remind our families that this involves wearing a gold P.E top and black shorts or black jogging bottoms and white/black trainers/daps. Usual school sweatshirt/ cardigan can be worn with this – no other sweatshirts to be worn please.

Home learning Expectations

Home Reading – We ask that your child reads at least 5 times a week at home. Please prioritise this as this is proven to be the most impactful for children and their learning in school.

Maths –Times Table Rock Stars practise (Years 2 to 6) – a total of at least 20 minutes on ‘Garage mode’.

Children in Year 1 will complete a short ‘Fluency Bee’ worksheet to develop their fluency and consolidate learnt number facts.

Spellings – Please practise the weekly spellings at home to support the learning in school (Years 1-6) - around 15 minutes in total.

Please ensure you record evidence of your home learning in your home learning books so that you receive your ‘Home Learning Hero’ time!

Please ensure your child has a bottle of water at school every day.

Also please make sure that their belongings including school uniform, PE kit, book bags, lunch boxes and water bottles are all clearly labelled with your child’s name and class.

Un-named uniform will be taken to the main entrance and put into lost property to be collected.

We ask children not to bring toys or items from home into school unless invited to do so by their class teacher.
