It's been a jam-packed week at The Manor!

On Monday, we hosted our term 5 and 6 Learning Champion assembly. We celebrated the efforts of 14 children across school who have consistently displayed our learning gems. A huge well done to those children!

On Wednesday, the children had the opportunity to spend some time with their new teachers from September. Each class had a wonderful time in their new classrooms, and both the staff and children are now eagerly anticipating next year!

Our amazing Year 6 children performed their production of 'Jack and the Beanstalk' to children and families this week. Each show was even better than the last and we are so proud of all their achievements. There is no doubt that a number of children who stood up on stage are destined to star in future shows as they move to secondary school.

Next week, our Year 6 children celebrate the end of their time at The Manor by going on camp. The week will be filled with adventure and laughter and we look forward to sharing their experiences with you when we all return!

Have a lovely weekend everyone.  
Team Manor

We are aware that many of our families are finding things tough at the moment.

We wanted to reach out and say – we may not have all the answers, but please do come and speak to Mrs Flanagan, Mr Israel or Mrs Mann – we may just be able to help.

### School lunch

The cost of a school meal from 01 September 2024 will increase to £2.55.  
Many thanks.

### Safeguarding Corner

The digital world presents both opportunities and challenges for our children. With increased screen time and online interactions, it's crucial to stay updated on online safety measures. Recent advice from online safety organizations emphasises the importance of teaching children about digital resilience. This includes understanding how to respond to cyberbullying, recognizing safe and unsafe online behaviours, and knowing where to seek help.
