On Thursday, the whole school enjoyed an assembly held by Yate Library, where information was shared with them about this Summer's Reading Challenge. The free challenge runs from July 6th and supports children to become more independent readers, improving reading confidence over the summer break from school. It also supports positive mental wellbeing and boosts self-esteem. Children aged between 4 and 11 sign-up at their local library and collect a free goodie bag to get them started. They then read books of their choice over the summer holidays and collect stickers to complete a collectors' card; receiving a medal and certificate once it's completed.

We hope that many of our children will join in this activity.

Today, our super Year 1 children showcased their impressive Beat Bus singing skills. Every parent who left after the show paid tribute to the hard work that has clearly gone into the practise and performance. Thank you to everyone who was able to come in and support.

Next week, we look forward to the Year 6 production of 'Jack and the Beanstalk'. Final rehearsals are currently underway and we know that the children will put on a tremendous show for us all.

Have a lovely weekend everyone.

## School lunch

The cost of a school meal from 01 September 2024 will increase to £2.55. Many thanks.

Please can we also remind families we are a nut-free school. Please consider this when sending in snacks and packed lunches. Many thanks

We are aware that many of our families are finding things tough at the moment.

We wanted to reach out and say – we may not have all the answers, but please do come and speak to Mrs Flanagan, Mr Israel or Mrs Mann – we may just be able to help.

## Safeguarding Corner

The digital world presents both opportunities and challenges for our children. With increased screen time and online interactions, it's crucial to stay updated on online safety measures. Recent advice from online safety organizations emphasises the importance of teaching children about digital resilience. This includes understanding how to respond to cyberbullying, recognizing safe and unsafe online behaviours, and knowing where to seek help.
