We've had a busy week in school with lots going on! Our cricket, football and netball teams all competed against other schools throughout the week. We celebrated a couple of victories and even when the result didn't go our way, we kept on trying until the end and congratulated the other team with respect at the final whistle. Well done to everyone who represented our school.

Yesterday, we welcomed some of our new Reception children into our forest school. This was the first time the children were given an opportunity to meet some of their new friends and it was so wonderful to see them explore our forest school for the first time. We look forward to getting to know the children and their families more in the coming weeks and months.

Thank you to everyone who popped in yesterday for our Open Classroom. The children really enjoy the opportunity to share some of their learning with you all - thank you again.

This newsletter will be coming out just as the Summer fair kicks off. The FOMs team have put in a lot of effort and organisation into the event and we have no doubt that it will be a wonderful occasion. We look forward to seeing you all there!

Safeguarding Corner

This term, children in school have been exploring the 'Changing Me' topic in their PSHE sessions in class. All the topics and content that are taught in RSE is considered appropriate for their age and we follow a specific scheme to ensure this.

If you have any questions about the content explored please do contact the class teacher and they will be more than happy to talk this through with you.
