Inset Days 2023/2024
⇒ Friday 28 June 2024

It has been a bright and sunny week at The Manor and the children have enjoyed a brilliant week in school.

On Wednesday, our Year 2 children took part in The Bridge Games event at one of our partner schools, Olveston Primary. All Year 2 children from within The Bridge took part in a number of sporting activities and then enjoyed lunch together as a large group. As you'd expect, our Year 2 children represented our school brilliantly throughout and it was wonderful to see them take part with smiling faces.

Next week, our Year 6 children will be sitting their final SATs tests in school. This cohort of children have worked tremendously hard on their learning over the last 7 years in school and have prepared themselves brilliantly for the final hurdle. We are so proud of the way they have taken it all in their stride with such positivity and confidence.

We know that this is a somewhat nervy time for some children in Year 6, but we hope that they all know that we are super proud of them and we wish them all the best of luck. They really do shine like stars.

We hope you have a lovely, sunny weekend.

Sports Day Colours

You will have received a letter yesterday regarding Sports Day colours. An updated text was sent this morning. If you already have a house coloured t shirt please feel free to send your child in to school on their Sports Day wearing it.

There will be a box in the foyer if you wish to donate/swap any colour t shirts which you might have.

We have also purchased sashes in team colours so any child can wear a sash over their normal PE t shirt.

We know everyone is really looking forward to this day!

Safeguarding Corner

The NSPCC website has lots of useful resources for parents of children who worry often or experience anxiety. It includes information on signs to look out for in children and offers some advice on how you can best support them at home.

We will now be sharing important class dates and any remember to's on this part of our newsletter. Please remember to keep an eye on our Facebook page for class activities! <https://www.facebook.com/groups/930513833807729>

Regular school attendance is essential to give your child the best opportunities in life.

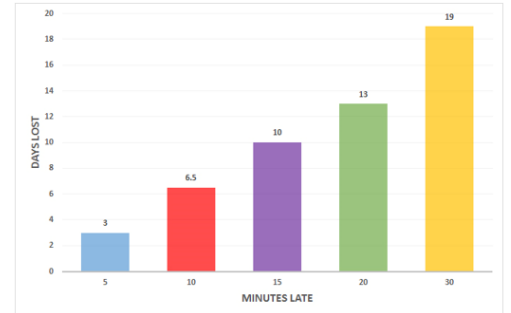

Attendance percentage equates to the amount of school time missed

Attendance during one school year	Equivalent Days	Equivalent Sessions	Equivalent Weeks
95%	9 Days	18 Sessions	2 weeks
90%	19 Days	38 Sessions	4 Weeks
85%	29 Days	58 Sessions	6 Weeks
80%	38 Days	76 Sessions	8 Weeks
75%	48 Days	96 Sessions	10 Weeks
70%	57 Days	114 Sessions	11.5 Weeks
65%	67 Days	134 Sessions	13.5 Weeks

Every Minute Matters

If your child arrives late to school every day, their learning begins to suffer.

Below is a graph showing how being late to school over a school year adds up to lost learning time.

Bikeability
Cycling Training for the 21st Century
SCHOOL HOLIDAY CYCLE TRAINING COURSES

BEFORE BOOKING YOUR COURSE, PLEASE READ BELOW CAREFULLY!

- All courses are subject to a £5 Booking Fee which is Non-refundable.
- Places are limited so these are booked on a first come basis.
- The child must have a roadworthy bike with 2 working brakes and have a properly fitting helmet.

Bikeability Learn to Ride
This session is for children who are unable to cycle, including older children who have never mastered the skill. Session 1 ½ hours. **This course is for School Year 3 and above.**

Level 2
Consists of two morning sessions, there is an initial assessment in the playground covering level 1 skills to ensure they are ready for on road training. Once out on the road they will learn about road position, which road user has priority and when, how to recognise typical hazards as well as manoeuvring through junctions. **This course is for School Year 6 and above who can cycle.**

Level 3
Aims to equip riders with skills for more challenging roads and traffic situations such as passing queuing traffic, road narrowing, understanding blind spots and how to perceive and deal with hazards. **All riders MUST have completed a level 2 course to an acceptable level prior to enrolling on this course. An acceptable level is where on the back of their level 2 certificate each box is ticked either Independently or With More Practice. If any of the boxes are ticked as either With Some Assistance or Not Yet Attempted they should attend another level 2 course. Most riders will need time to absorb the level 2 skills and put these into practice, hence they MUST NOT attend a level 2 and level 3 course within the same holiday period.**

Courses are being held at Bradley Stoke Community Secondary School, Eddlerswood Lane, BS32 9BS

To book on one of the above courses please log onto <https://southglos.cycleready.co.uk/publicbooking>

All Instructors are DBS checked and work for the Council's Road Safety Team. Bikeability certificates are awarded to all trainees who successfully complete the course.

Please note courses are subject to a minimum number of children attending on the date. Locations of training may vary according to availability.

Supporting your Child to Overcome Anxiety
At Manor Primary, Thurs 23 May, 9.15 – 11.15am

This workshop is for parents/carers and will help you reflect on how you look after your own emotional wellbeing, so you are better able to support your children. You will be exploring the causes of anxiety and the impact on family life, as well as learning techniques for staying calm and creating a positive environment for children to develop strategies for coping with anxiety

Weekend Football for Yr 1 Kids

Coalpit Heath Youth FC are setting up a new team for boys and girls who are currently in Year 1. We train on the Manor field in Coalpit Heath on Saturday mornings at 9am. From September we'll also be playing matches in a local league on Sunday mornings.

We are a friendly inclusive club and welcome players of all abilities. It's about fun and development through the age groups.

Please do get in touch if you want to come along for some free, no obligation taster sessions. Be great to see you there!
